

Name: Sara Fuller

Company: Electric Innovations

Title: System Sales Specialist

Special Role in Ambassadors: At present being new to the ambassadors I have not been assigned one but very anxious to be appointed to one and get closer with the ambassadors.

Chamber Ambassadors since: 2007

FAVORITE ANNUAL SIOUXLAND CHAMBER EVENT:

I wanted to become involved in Sioux City. When I worked for the city, I was involved and [it was] easier to keep up on everything. Now is the perfect opportunity to get involved again being in sales and working for Electric Innovations. The Chamber Ambassadors is the perfect fit for me and my job. I have learned more about new businesses and the opportunity to meet so many new people. I am so excited to be on this team and be a part of the green jackets.

FAVORITE ANNUAL SIOUXLAND CHAMBER EVENT:

The Chamber Dinner. I even remember my favorite speaker. They seem to get speakers for everyone that captivates the attendees.

ANYTHING ELSE?

Being a native of Sioux City and attending college here and never living anywhere else should say everything. Sioux City is a great place to grow up, live, and now I can say, raise a family.
